Acme Technologies Pvt. Ltd.

HR Policy Handbook — 2026 Edition

1. Working Hours

Standard working hours are 9:30 AM to 6:30 PM, Monday through Friday, with a one-hour lunch break between 1:00 PM and 2:00 PM. Employees are expected to check in by 9:45 AM; check-ins after this time are marked as late arrivals. Three late arrivals in a calendar month will result in a formal note from the reporting manager. Core hours (10:30 AM to 4:30 PM) require in-office or online presence for all employees, regardless of flexible start times.

2. Attendance Policy

All employees must check in and check out daily using the company's face-recognition attendance system. Manual attendance entry is permitted only with prior written approval from HR, in cases of technical failure. An employee is marked absent if no check-in is recorded for a working day and no leave has been approved for that date. Three consecutive unexplained absences may lead to disciplinary action under the company's conduct policy.

3. Leave Policy

Employees are entitled to 18 days of paid leave per calendar year, comprising 12 casual leaves and 6 sick leaves. Casual leave requests must be submitted at least 2 working days in advance through the employee portal. Sick leave may be applied for on the day of absence but requires a medical certificate if taken for more than 2 consecutive days. Unused casual leave, up to a maximum of 6 days, may be carried forward to the next calendar year; unused sick leave does not carry forward. All leave requests are subject to approval by the employee's reporting manager or an HR administrator.

Maternity leave is granted for 26 weeks as per statutory requirements, and paternity leave is granted for 10 working days. Bereavement leave of up to 5 working days is granted for the loss of an immediate family member.

4. Salary and Payroll

Salaries are credited on the last working day of each month. Salary is calculated on a per-day basis using the formula: (Base Salary / Total Days in Month) x Days Present. Any day marked as absent without approved leave results in a proportional deduction from the base salary. Salary slips are generated automatically and made available to employees through the employee dashboard within 3 working days after month end.

5. Code of Conduct

Employees are expected to maintain professionalism and mutual respect in all workplace interactions. Harassment, discrimination, or any form of workplace misconduct will not be tolerated and should be reported immediately to HR. Confidential company information, including source code, client data, and internal financial records, must not be shared outside the organization without written authorization.

6. Employee Benefits

Benefit	Details
Health Insurance	Covers employee + 2 dependents, up to Rs. 5,00,000 per year
Wi-Fi/Internet Reimbursement	Up to Rs. 1,000 per month for remote work days
Learning & Development	Up to Rs. 20,000 per year for approved courses/certifications
Annual Bonus	Performance-linked, paid in March each year

7. Remote Work Policy

Employees may work remotely up to 2 days per week with prior manager approval. Remote work days must be logged in advance through the employee portal. Face-recognition check-in is not required on approved remote days, but employees must mark their status accordingly. Full-time remote work arrangements require HR and department head sign-off and are evaluated on a case-by-case basis.
